<b>Comments By Industry Expert:</b>
Nice work on both frontend and backend. Simple & user-friendly UI. The group developed a mobile web app which is good.
<b>How you will Address/Incorporate comments of industry expert in your project?</b>
To address the industry expert's comments, we will: <ol style="list-style-type: none"><li>1. Refine the UI/UX for better responsiveness and accessibility.</li><li>2. Optimize backend performance for faster load times.</li><li>3. Add features like real-time tracking.</li></ol>
